STAFF APPRECIATION WEEK

Thank you for helping us make "Teacher/Staff Appreciation Week" a success. We could not have done it without you! The staff were all very excited to receive their daily tokens of appreciation.

NEW RATES FOR THE FALL

Thank you! Due to your referrals and good words regarding our school, we have been able to boost enrollment; therefore, the tuition for next year will increase only 3% instead of the full 5% increase we had in the past. These increases will improve the overall quality of care and education we always strive for in addition to the positive and nurturing work environment for the staff.

Attached are the new rates effective September 1, 2014.

GOODWILL CLOTHING DONATION BIN

Childhood Disease Research Foundation and Community of Change is a non-profit charity organization that provides treatment, information, counseling, educational materials, and research for all types of childhood diseases. They have recently launched a new clothing drive program for the Riverside, Orange County and San Diego area that goes to children in need.

There will be a blue bin located near the dumpster in the front of the school, where you have the opportunity to donate any unwanted clothes and shoes. Besides donating used clothes for a good cause we will also be helping the environment which is one of their program's goals.
