Illness Policy Reminder

This has been an exceptionally hard season for sickness and diseases. Here at Children's Village Preschool, we follow all the regulations and requirements to minimize the effect of this early childhood phenomena; however, we cannot be as effective if we do not have everyone's cooperation. If you notice any signs or symptoms of a contagious illness, please take the proper steps to refrain from spreading communicable diseases to other children. **Children must be fever free for 24 hours without medication to attend school.** We appreciate your diligence in this matter. Children, the staff, and parents will all benefit if we work hard on this together. Please make sure to wash your hands and your child's hands upon arrival. Also, please remain aware of our illness policy as stated in our Parent Handbook (attached to email).
