WELCOME

Welcome to the 2020-2021 school year! The sun is still shining bright, but fall is just three weeks away, and it is time to get back into your school schedules. That means getting children up, feeding them a nutritious breakfast, and getting to school by 9:00am.

Please remember that late arrivals can be disruptive and are unfair to all the children and teachers but most of all, your child will miss a great part of the enrichment program offered to them. Remember preschool is a wonderful opportunity to set up good school habits.

WELCOME To Our School

Room 8: Rohin
Room 1: Lola

Congratulations to Henry in Room 7 and family for welcome Oliver Winston to the world on August 18th. Oliver was 8 pounds and 12 ounces.

It is also time to review and update your child's Emergency Information Form including contact and authorized pick-up list. Please stop by the office **no later than Friday, September 11th to review your current form and make needed changes.*

The TK classroom may also be exposed to composting and recycling.

HEALTH REMINDERS

It is important that the children in our program stay healthy. We are not licensed to care for ill children, and **we depend on you to keep ill children at home. If your child will be out for any health reasons (illnesses, especially communicable diseases), please notify the school as soon as possible.**

As a reminder, authorized representatives, must be able to answer "no" to all Health Screening questions for children to be accepted into our care. If any of the answers is a YES, we will not be able to accept your child into our care.

Do any of the below questions apply to your child, you, or anyone in your household within the last 24 hours:

1. has had a fever over 100.4?
2. has taken any fever reducing medications?
3. has a cough, and the individual has not been consulted by a medical provider?
4. has difficulty breathing / shortness of breath?
5. has any other signs of illness?
6. to your knowledge, has had any exposure to another individual with a suspected or confirmed COVID-19 case?

If your child shows any of the above symptoms on an off-school day, please keep your child home for observation for 24 hours or a full day, whichever is greater, returning to the center only when symptom free.
