Talking to Children About Covid19

- Remain calm and reassuring.
- Make yourself available to listen and to talk.
- Avoid language that might blame others and lead to stigma.
- Pay attention to what children see or hear on television, radio, or online.
- Provide information that is honest and accurate.
- Teach children everyday actions to reduce the spread of germs.

This was taken from the CDC website. Please visit the site for more detailed information on how to speak with your child on the topic of COVID19.

WATER ACTIVITIES

Friendly reminder: messy days ahead! As the weather permits, we will start increasing water activities throughout the day. If you have an appointment or an errand to run after picking up your child, let us know so we can have you child ready.

SUNSCREEN

Do not forget to apply sunscreen in the morning before dropping your child off at school.

2021-2022 SCHOOL YEAR SURVEY

If your child will be graduating from Children's Village this summer, be sure to let us know your departure date as soon as possible. We require a minimum of two weeks' notice, but certainly appreciate a longer notice if possible. If you would like to change your child's schedule (adding or dropping days), now is this time to do this.

We will be sending out a survey the end of Mid-May early June. Once received, **please complete, and return the survey by required due date.** If the survey is not returned to us, we will assume that you will be keeping the same schedule for the 2021/2022 school year. Once classes are filled, there may not be a possibility of adding or changing schedules.
