REMINDERS

Water Activities

As the weather permits, we will start having water activities for the children in the morning as well as the afternoon. If you have an appointment or an errand to run after picking up your child, please let a staff member know so we can have your child ready.

Sunscreen

Don't forget to apply sunscreen before dropping your child off at school and think of protective clothes for your child.

VACATIONS

We know things can get a little relaxed and sometimes hectic during the summer, so please remember to let us know ahead of time about planned days off (**especially Wednesday, July 3rd and Friday, July 5th**). Knowing this will help us grant some families' requests for adding extra days and time off for staff. You can stop by the office or send us an email informing us of any days you plan on keeping your child out of school.

2024-2025 SCHOOL YEAR SURVEY

If your child will be graduating from Children's Village Preschool this summer, please let us know your departure date as soon as possible. We require a minimum of two weeks' notice, but certainly appreciate longer notice if possible. If you would like to change your child's schedule (adding or dropping days), now is this time to do so. If you have not yet completed and returned the survey, **please complete, and return the survey ASAP**. If the survey is not returned, we will assume that you will keep the same schedule for the 2024/2025 school year. Once classes are filled, there may not be a possibility of adding or changing schedules.
