CLASSROOM TRANSITIONS

Children who are eligible to move to their next classroom will have "visiting days" **as openings occur between June through September**. The length of visits will depend on each child; sometimes a day is all they need! Teachers will let you know of their progress. You will be notified when your child is scheduled to move up.

CURRICULUM

Some of the topics that may arise this month are weather changes, special people in our lives, bubbles, floating & sinking, transportation, ocean/beaches, and for TK, outer space.

WATER ACTIVITIES

As the weather permits, we will start having water activities for the children in the morning as well as in the afternoon. If you have an appointment or an errand to run after picking up your child, please let a staff member know so we can have your child ready.

VACATIONS

We know things can get a little relaxed and sometimes hectic during the summer, so please remember to let us know ahead of time about planned days off (**especially Thursday, July 2nd and Monday, July 6th**). Knowing this will help us grant some families' requests for adding extra days and time off for staff. You can stop by the office or send us an email informing us of any days you plan on keeping your child out of school.

2026-2027 SCHOOL YEAR SURVEY

If your child is graduating or leaving Children's Village this summer, be sure to let us know your departure date as soon as possible. **We require a minimum of two weeks' notice but appreciate longer notice if possible.** If you would like to change your child's schedule (add or drop days), now is the time to do that. If you have not yet completed and returned the survey, **please complete, and return the survey ASAP. (survey link) <https://forms.gle/z7LPcSVh5KsCqSEW8>** **Once classes are filled, there may not be a possibility of adding or changing schedules.**
